## Testimonials

*"Five More Minutes With is like FMLife meets Chicken Soup for the Soul."*

– Julia, Ludlow, Massachusetts

*"Clearly, this website is a BOOK. What a beautiful idea and place to encourage individuals to write their thoughts about their departing/departed loved one. I like the look of the site, too. Welcoming and, with the list of possible persons/cats/etc. to receive the words of love, it's also inspiring. What the world needs now is love, sweet love."*

– Antonia, Napa, California

*"WOW! This is a FANTASTIC concept! You definitely have a winner on your hands—well done! I can't wait until I can say, "I knew her way back when. I truly believe this is Chicken Soup BIG in terms of potential."*
